

BILL NO. A-68-03- 03

APPROPRIATION ORDINANCE NO. A-05-68

AN ORDINANCE appropriating funds from the 1968 General Fund to the 1968 Budgets of the City Controller and the City Plan Commission.

WHEREAS, the amount of State Gross Income Tax due is greater than anticipated, and there are insufficient funds in the 1968 Budget of the City Controller to pay such tax; and

WHEREAS, there are sufficient funds in the unexpended balance of the 1968 General Fund to cover the payment of such tax and which funds are not required for any other purpose; and

WHEREAS, it is necessary to print sufficient copies of the Zoning Ordinance of the City and furnish the ordinance to realtors, attorneys, builders and others needing current copies thereof, and there are insufficient funds in the 1968 Budget of the City Plan Commission to cover the cost of said printing; and

WHEREAS, there are sufficient funds in the unexpended balance of the 1968 General Fund to cover the cost of printing and the funds will be repaid to the General Fund upon the sale of the Zoning Ordinance copies;

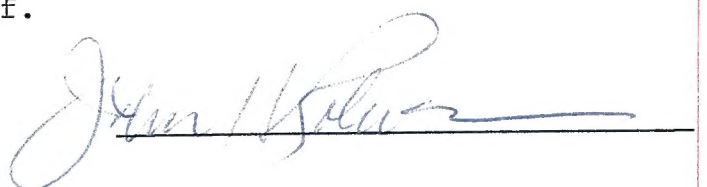

NOW THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That there is hereby appropriated from the unexpended balance of the General Fund of the 1968 Budget the sum of \$32.11 to Account No. 2-5-57, Gross Income Tax, in the 1968 Budget of the City Controller, and the unexpended balance of the 1968 Budget of the General Fund is hereby reduced in the amount of \$32.11.

SECTION 2. That there is hereby appropriated from the unexpended balance of the General Fund of the 1968 Budget the sum of \$800.00 to Account No. 11-2-241, Printing, Other Office Supplies, in the 1968 Budget of the City Plan Commission, and the unexpended balance of the 1968 Budget of the General Fund is hereby reduced in the amount of \$800.00.

SECTION 3. That this Ordinance shall be in full force and effect from and after its passage and approval by the Mayor, and legal publication thereof.

APPROVED AS TO FORM  
AND LEGALITY,  
  
CITY ATTORNEY

CITY OF FORT WAYNE  
INTER-DEPARTMENT COMMUNICATION

FROM: Controller's Office

March 7, 1968

TO: J. Robert Arnold,  
City Attorney

SUBJECT:

Would you please prepare an appropriation ordinance, appropriating the following amount out of the unexpended balance of the General Fund, to the following accounts:

Appropriate \$832.11 from the General Fund to the following accounts:

\$32.11 to Account No. 2-5-57, Gross Income Tax, in the budget of the City Controller.

\$800.00 to Account No. 11-2-241, Printing, Other Office Supplies, in the budget of the City Plan Commission.

It is necessary to appropriate the \$32.11 in the Controller's budget in order to pay State Gross Income Tax, which calls for a greater amount than originally estimated in our budget.

The \$800.00 appropriation is necessary in order to print sufficient copies of the City's zoning ordinance and to furnish the ordinance to realators, attorneys, builders and others who need current copies of the ordinance.

The supply of printed copies has been depleted and new up-to-date ones are needed.

The \$800.00 will be recovered by the City because the new copies of the ordinance will be sold to all of those needing them.

It will be necessary to advertise these appropriations and submit them to the State Tax Board for approval.

Yours very truly,

I. H. McKathnie,  
City Controller

IHM/ar

enc. Two copies of Wm. Jones  
letter of 2-21-68

Date February 13, 1968

TO THE CITY CONTROLLER:

The City Controller's Office  
(Department)

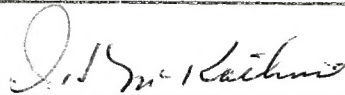

requests that an appropriation ordinance be prepared and submitted to the City Council authorizing the transfer of \$ 32.11 from

Account No. \_\_\_\_\_ Title General Fund to

Account No. 2-5-57 Title Gross Income Tax.

Reason for Transfer \_\_\_\_\_

An amount of \$200.00 was appropriated for the Gross Income Tax, and a total  
of \$232.11 is required to cover taxes for 1967. Therefore, an additional  
appropriation of \$32.11 is required to pay the Gross Income Tax.

Department Head or Board Member

Directions -- Departments requesting transfer of funds from one account to another, or for the appropriation of funds from the unexpended balance of the General Fund must fill out this form in duplicate, and send both the original and one copy to the Controller's Office. It is suggested that a third copy be made and retained by the department originating the request. The Controller's office will retain one copy of the form and send the other to the City Attorney which will be his authorization to prepare the appropriation ordinance. Please send the request for transfer of funds to the Controller as early as possible, and at least one week should be allowed for the City Attorney to prepare the appropriation ordinance and the City Clerk to enroll it for the next Council meeting.

# City of Fort Wayne

CITY PLAN COMMISSION  
425 S. Calhoun Street

February 21, 1968

Mr. Ivan McKathnie  
City Controller  
City Hall  
Fort Wayne, Indiana 46802

Dear Mr. McKathnie:

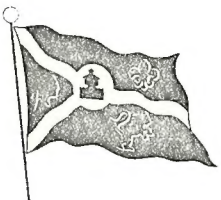

As you probably know, copies of the Zoning Ordinance, which were printed several years ago and distributed to realtors, attorneys, banks, home builders, developers, and other interested parties in real estate, are now considerably outdated and copies for distribution are no longer available.

As a result we feel it necessary to reprint the Zoning Ordinance for distribution to the various interested parties. Also, the many revisions that have been made to the Text of the Zoning Ordinance during the past few years have made it obsolete.

We made an inquiry of Mr. David Heaton regarding the company, presently under contract to print the Municipal Code, to also print the Zoning Ordinance in a separate brochure which could be distributed. Mr. Heaton, in turn, made an inquiry of this company and found that 1,000 copies of the Zoning Ordinance, printed in the same format as the Municipal Code, would cost approximately \$785.00. Obviously, if we would print the Zoning Ordinance in this manner it would be advisable to charge at least \$0.75 or \$1.00 per copy to recover the expense incurred by printing the book.

If we do this from the Plan Commission budget, this would then, of course, deplete our printing budget and we would have no funds with which to operate for the balance of the year and, as you know, the money that comes in for charging for these books would go to the General Fund and would not be returned to our account.

For this reason, I would like to request that the City Council appropriate sufficient money out of the General Fund to purchase approximately 1,000 copies of the Zoning Ordinance and, in turn, they could be sold with the

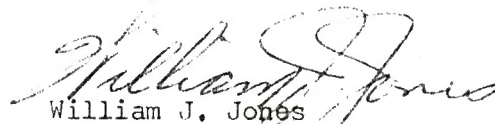

February 21, 1968

money being returned to the General Fund as the books are sold.

Since the books are so outdated I am certain that several hundred copies would be sold in a very few weeks and probably over a period of a year or so the entire supply of 1,000 could be sold to various developers. I would further suggest that since the Building Commissioner's Office does handle funds in the form of permit fees, etc., that they be the department who would be responsible for the actual sale of the booklets and they, in turn, could return the money received from the sale of the booklets to the Controller's Office for return to the General Fund.

Respectfully submitted,

CITY PLAN COMMISSION

  
William J. Jones  
Director of Planning
